Looks great. I jumped the gun since I sent an email to them already (see below).

Sorry.

Hi Lynda and Don,

I am now the acting Regional NPS Coordinator (including measures). Can I be added to the email list and the invites for the NPS Coordinator meetings? Also who should I speak with regarding responsibilities from a HQ perspective?

Cheers,

Jayne

Jayne, Please review/edit this email to Lynda Hall with cc to Don Waye.

Hi Lynda,

I have assigned Jayne Carlin to be our Region's NPS 319 Coordinator, replacing Rick Seaborne in that function. Jayne has long-managed Alaska's 319 program oversight and is also our Oregon CZARA program review lead, so she is well-versed in the program. She will serve as the NPS 319 Coordinator until such time we get approval to advertise for a new one. I can send a similar message to the National 319 Coordinators email list, unless that is better/easier coming from you.
